

Mei (Mei Mei)

Mei is 5 years old with Chinese parents. She attends the same school as Max and really is his best friend. She is pretty, with dark hair, brown eyes, lovely skin and a short "bob" hair cut. She is fun, inquisitive and loves to chat. Mei is conscientious and her Chinese is perfect. She is always testing Max on his Chinese. Although Mei loved pink, dolls and dresses, she can also be a tomboy and doesn't mind getting her hand dirty. She is very good at gymnastic and often practices her cartwheels and handstands.
